Pandit Deendayal Energy University
QUALITY AND ENVIRONMENTAL POLICY

Pandit Deendayal Energy University strives contributing to the growth of Energy Education, Research, Innovation and Centre of Excellence to be a World Class University.

To achieve it, the University is committed to:

- Compliance to applicable statutory, legal and other requirements;
- Serving society to lead to its enrichment and advancement;
- Maintaining dialogue with its students and other stakeholders to understand their needs, expectations and determining their level of satisfaction;
- Contributing to the growth of higher education and upholding the highest ethical and professional standards;
- Create environmental awareness and demonstrate implementation to conserve the natural resources and minimize pollution;
- To evolve mechanisms for 'R4': Reduce, Reuse, Recycle and Repurpose;
- To provide a framework for setting objectives and continually improve the effectiveness of the Quality & Environmental Management System.

Director General
